FORM 990-A REQUIRED	ACCOUNTING PERIOD ENDING

Gentlemen:

Based upon the evidence submitted, it is held that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code, as it is shown that you are organized and operated exclusively for the purpose shown above. Any questions concerning taxes levied under other subtitles of the Code should be submitted to your District Director.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code and are required to file Form 990-T for the purpose of reporting unrelated business taxable income. Any changes in your character, purposes or method of operation should be reported immediately to your District Director for consideration of their effect upon your exempt status. You should also report any change in your name or address. Your liability for filing the annual information return, Form 990A, is set forth above. That return, if required, must be filed after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2105 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to your District Director.

Your District Director is being advised of this action.

Your tax exempt status is predicated on the understanding that all member agencies which participate in the receipt and distributions of funds collected by you have established an exempt status for Federal income tax purposes as organizations described in section 501(c)(3) of the Code, or corresponding provisions of prior revenue laws. Proof of such exemption should be required by you of each participating member agency.

Very truly yours,

J. F. Worley

Gentlemen:

Re: Corp. No. 384727
Exemption from Franchise Tax

It is the opinion of this office, based upon the evidence presented, that you are exempt from State franchise tax under the provisions of Section 23701d of the Revenue and Taxation Code, as it is shown that you are organized and operated exclusively as a charitable organization.

Accordingly, you will not be required to file franchise tax returns unless you change the character of your organization, the purposes for which you were organized, or your method of operation. You are required to report any such changes immediately so that their effect on your exempt status may be determined.

Contributions made to you are deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by Sections 17214, 17215, 17216 and 24357 of the Revenue and Taxation Code.

If your organization is not yet incorporated and has not yet qualified to do business in California, this approval will expire unless incorporation or qualification is completed within thirty days.

Very truly yours,
