

What are the Needs in Your Community?

___SM___ Guadalupe ___Lompoc ___SYV

United Way understands that most people want to make a difference where they live and work. We want to help them do that. The best way to help the most people is to target our community’s most serious needs and then focus on the underlying causes of those needs. Your input is important! By completing the survey below, **YOU** can help identify the **NEEDS** in your community. Please select the **FOUR** most important needs by placing check marks in the lines below. No individual responses will be shared. Only collective results will be used.
