

All children look forward to arriving on the first day of school with new notebooks, backpacks, and pencil boxes, but it's a different story for those families who cannot afford these items. This year the Northern Santa Barbara County United Way is helping all children get a good start to the school year by partnering with the Lompoc Valley Chamber of Commerce, Wal-Mart, the Lompoc Unified School District, **and you...** to help Stuff the Bus.

This will be an opportunity that will provide Lompoc School District students with proper school supplies and personal hygiene products to assist each of them with their studies and help build self-esteem.

We are asking you to place a brightly colored collection box at your place of business between August 1st and August 15th. On Saturday, August 16th a representative from your organization will deliver them to the Wal-Mart parking lot between 11:00am and 7:00pm to *STUFF THE BUS!* Wear your company logo for a photo opportunity.

Please call Jennie Sayers at (805) 922-0329
or email me: jennie@uwcentralcoast.org
